

## 2021-22 Achievements

- ▶ Delivered 98 gigalitres of water for the environment to several Ramsar listed wetlands, floodplains and major systems of the Campaspe and Loddon rivers.
- ▶ Secured non-traditional funding of \$713,000 from the Agnico Eagle Group to continue the statewide school-based River Detectives Program for the next three years.
- ▶ Constructed two new fishways at Cohuna and Koondrook Weirs to connect 140 kilometres of prime fish habitat in Gunbower Creek with 530 kilometres of open Murray River.

### Our Future Vision

*Working in Partnership for a Healthy Catchment.*

### Future aspirations

- ▶ Traditional Owners lead self-determined participation in natural resource planning and management.
- ▶ Active and resilient communities adapt to challenges including climate change.
- ▶ Healthy waterways and floodplains are managed for shared benefits.
